FINANCIAL MANAGEMENT COMPLIANCE SYSTEM Version 4
License Update Guide

April 2014

INTRODUCTION

The purpose of this document is to provide instructions to apply a new license in your Financial Management and Compliance System (FMCS) Version 4 instance.

Before you begin

Only an FMCS System Administrator is able to update the FMCS license. You will need to ensure you have System Administrator access to your FMCS instance.

Torque Software will provide you with your new license in a format similar to the below.

```
----- BEGIN FMCS LICENSE -----
```

```
jPdTI/kg45nwkj5gn4w5uh4tkwu54tkwugn5w4u54ntgw4kug5nwer  
kug5nwerkuge5nwku5gnw5kguwerng/mxcXcZmVd9LQYpJuE1oMXR
```

```
----- END FMCS LICENSE -----
```

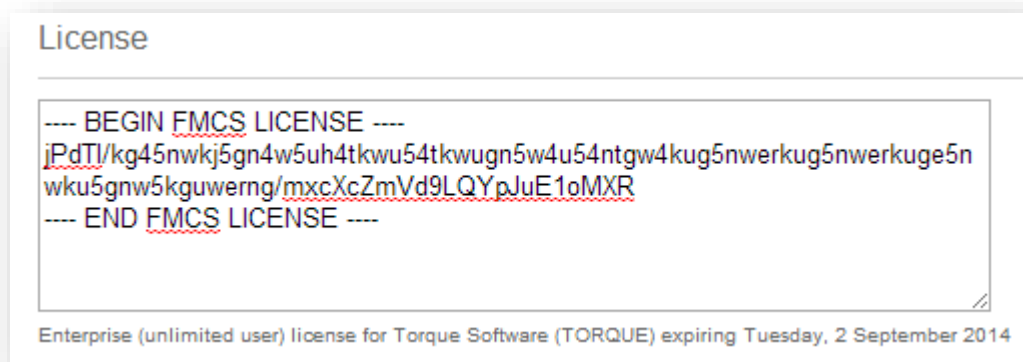

LICENSE UPDATE

To update your license, first login to the FMCS as a System Administrator.

Next select System from the Settings menu.

Within the Settings tab that appears, scroll down to the License section. Clear the License box and copy and paste the new license provided by Torque Software into the space provided.

Scroll back up to the top of the screen and click Save. If your license update was successful the new expiry date will be reflected in the section below your license key.

Torque Software are specialists in developing financial compliance software for the Australian Federal Government.
